

DTP funding for YES competitions
Criteria agreed by Management Board at 17/06/2019

1. The DTP will not provide financial support for the entry fees to YES competitions if the application is from an individual student.
2. The DTP will not fund teams consisting of students from one university only – These would be expected to be funded by the individual university.
3. The DTP will consider providing funding to cover the cost of the entry fees if the application is from a team of 4 or 5 students across the DTP. There must be at least 2 of the 3 DTP universities (Leeds, Sheffield, York) represented on the team for it to qualify for DTP funding. It will be open to any DTP cohort. The student(s) initially interested in YES must find their own team across the DTP. The DTP will also be willing to provide travel costs to enable the students from the different universities to meet to construct their YES entry.
